

Arrival Information for Micromeritics' International Guests

Atlanta Airport is one of the largest and THE Busiest airport in the world. It is our goal to make your arrival in Atlanta as convenient and smooth as possible. If there is anything about the following instructions that is unclear, please let us know. We look forward to welcoming you to our city and the headquarters of Micromeritics Instrument Corporation.

Direct flights from international destinations with final destination of Atlanta:

- All International flights clear Customs/Immigration at our new International Terminal.
- Once leaving the plane, make your way to Immigration. There will be 2 queues: US Citizens and Non-US Citizens.
- **Caution:** *Do not use your cell phones anytime during this process. Dept. of Homeland Security will confiscate your phone if you use it in either the Immigration or Baggage Claim areas.*
- Once you have cleared Immigration, you will proceed to the Baggage Claim Area.
- The Baggage Carousel for your flight will be displayed on a large display.
- Once you have claimed your baggage, you will then need to go through Customs clearance. If you have something to declare you will follow the signs. If you have nothing to declare, you will proceed to the exit.
- Once you have cleared Customs and Immigration, you will exit to your right into the International Arrivals Hall.
- THIS is where a Micromeritics' representative (if we have agreed to meet you) will be waiting for you, holding a sign with your name on it. IF you do not see anyone when you arrive, PLEASE DO NOT LEAVE the Arrivals Hall. Sit in one of the many seats available and wait for us. Atlanta and Atlanta highway traffic can be very unpredictable sometimes so the person meeting you might be delayed due to traffic situations beyond their control. We WILL be there!!

Special Note: IF you are renting a car, taking MARTA or any other Ground Transportation Options like Airport Shuttle Services, once you exit the International Arrivals Hall you need to take the Free Terminal Shuttle Service (located immediately outside the International Terminal Arrivals Hall) to the Domestic Terminal in order to connect with the other transportation options.

Flights into Atlanta that have already cleared US Customs and Immigration at another location or Domestic flights:

- After exiting the plane, make your way to the Transportation Mall, Main Terminal, Baggage Claim.
- Take the escalators down to the Transportation Mall.
- You will need to board the underground train that runs about every 5 minutes on your right side to be transported through the airport to the final Baggage Claim area.
- Stay on this train until you get to Domestic BAGGAGE CLAIM.
- Exit the train and take the escalators on your right UP to Ground Level.
- Depending on your carrier, you will either take a left for the South Terminal (Delta and most of its code share partners) or a right for the North Terminal (all other airlines), Baggage Claim.
- Your flight number will be posted at the corresponding Baggage Claim Carousel for your respective flight as you enter the area.
- THIS is where a Micromeritics' representative (if we have agreed to meet you) will be waiting for you, holding a sign with your name on it. IF you do not see anyone when you arrive, PLEASE DO NOT LEAVE YOUR FLIGHT'S CAROUSEL AREA. Atlanta and Atlanta highway traffic can be very unpredictable sometimes so the person meeting you might be delayed due to traffic situations beyond their control. We WILL be there!!

American Airline Flights arrive at Concourse T and have their own check-in and baggage claim area that do not require taking a train, etc. and we will know where to meet you.
